XTERRA O-SEE ULTRA TRAIL 50K & 25K

XTERRA Trail Run World Series

Compete individually, regionally or globally in the XTERRA Trail Run rankings, or push to the front of the pack in your age group to qualify for a place on the starting line at the annual and invite-only XTERRA Trail Run World Championship.

See the [XTERRA Trail Run World Series page](#) for information regarding the rankings, qualification rules and criteria.

Distances & categories

The XTERRA O-SEE Ultra Trail includes both half-marathon (O-SEE 25k) and full-marathon (O-SEE 50k) races, with individual and team DUO categories available.

Team DUO

Misery always loves company, so why not suffer the endurance challenge with a friend (Men, Women or Mix) rather than solo. DUO teams must start and finish at the same time to be eligible. No individual scoring possible.

Uphill segment

The segment challenge offers additional series ranking points to the top climbers over a defined section of the course. We go one better and honour the fastest athlete M/F of the 65k, 50k and 25k courses.

→ Start at 11,2k // → 1 km // ↑ 140 m
